To,
The President,
City Municipality,
Mysore

Respected sir,

I am one of the leading merchant in Mysore City, running two big business concerns, one in Santhepet and another in Devarajamarket, paying a heavy income-tax to Government and heavy war risk insurance

I have built a public Chatram at Hole Narasipur at a cost of Rs 30000 and one building at a cost of Rs,50000, in New Santhepet, Mysore City and both have been endowed to SRI VENKATARAMANA SWAMI and named "SRINIVASA-MANDIRAM" as PRASANA VENKATARAMANASWAMY DHRMACHATRAM, respectvily

I pay annually about Rs 100/- as Municipal Tax, for the buildings owned by me, and I have served and done my best to the public and the City Municipality as a Municipal Councillor for two years having been nominated by the Government of His Highness the Maharaja of Mysore

I have got the greatest desire and ambition to serve the public once again as a Municipal Councillor, if I am granted an oppurtunity for the same

For various reasons I cannot stand as a candidate for the Municipal elections, hence I wish to serve as a nominated member.

Hence I humbly request you to be kind enough to recommend my name to the Government of His Highness the Maharaja of Mysore, to nominate me as a Municipal councillor for this city, for which act of kindness I shall ever be greatful and Loyal to the Government of His Highness the Maharaja of Mysore and to you

Thanking you very much

To

The President,

City Municipal Council,

Mysore.

Respected Sir,

I the undersigned respectfully beg to submit this application for your kind consideration and favourable orders thereon.

Being a member of the Central Depressed Class Committee and Vice President of the Mysore District Adikarnataka Sangha and Adikarnatakapura Co-operative Society and also as a member of the Mysore Taluk Depressed Class Committee and on other bodies such as Mysore District Depressed Class Scolaship Committee, I have been rendering my humble services to the Depressed classes in particular and to the country in general.

I have served on the City Muncipal Council, Mysore as a member thereof for 5 to 6 years from 1935 to 1940 during which peridd I have associated myself with the various activities of the Council and I have done my best for the welfare of the Deptessed classes in the City.

In this connection I beg to state that the Depressed classes are very backward in Education in spite of the educational facilities available at their very doors. So it is very necessary that they should educate their children in a proper way in the institutions like Nursery Schools

To achieve this object by starting a Nursery School which may require about Rs 4000/- to 5000/- I have already collected Rs 1000/- for this noble cause so far and I myself will donate Rs 1000/-, the rest of the amount being collected from others. At the request made at the Conference held on 17-10-43, the Municipal President in the Chair of the Trust Board at the meeting held on 2-11-43 is pleased to sanction a suitable site for the

the construction of the said Nursery School. Since the execution of the work of the Nursery School will have to be carried on with the help of the Municipal Council which will be reconstituted very shortly, it will be a great help to this cause if I be a member on the reconstituted Municipal Council.

Hence I most humbly request that you may kindly be pleased to nominate me as a member of the reconstituted Municipal Council as a representative of the Depressed Classes.

For which act of kindness I shall ever be grateful.

I beg to remain,

Respected Sir,

Yours most obediently,

GOVT OF MYSORE

Respected Sir,

I the undersigned respectfully beg to submit this application for your kind consideration and favourable orders thereon.

Being a member of the Central Depressed Class Committee and Vice President of the Mysore District Adikarnataka Sangha and Adikarnatakapura Co-operative Society and also as a member of the Mysore Taluk Depressed Class Committee and on other bodies such as Mysore District Depressed Class Scholarship Committee, I have been rendering my humble services to the Depressed Classes in particular and to the country in general.

I have served on the City Municipal Council, Mysore as a member thereof for 5 to 6 years from 1935 to 1940 during which period I have associated myself with the various activities of the Council and I have done my best for the welfare of the Depressed classes in the City.

In this connection I beg to state that the Depressed classes are very backward in Education in spite of the educational facilities available at their very doors. So it is very necessary that they should educate their children in a proper way in the institutions like Nursery Schools.

To achieve this object by starting a Nursery School which may require about Rs 4000/- to 5000/- I have already collected Rs 1000/- for this noble cause so far and I myself will donate Rs 1000/-, the rest of the amount being collected from others. At the request made at the Conference held on 17-10-43, the Municipal President in

in the Chair at the meeting of the Trust Board held on 2-11-42 is pleased to sanction a suitable site for the construction the said Nursery School. Since the execution of the work of the Nursery School will have to be carried on with the help the Municipal Council which will be reconstituted very shortly it will be a great help to this case if I be a member on the reconstituted Municipal Council.

Hence I most humbly request that you may kindly be pleased to nominate me as a member of the reconstituted Municipal Council as a representative of the Deptressed classes.

For which act of kindness I shall ever be grateful.

I beg to remain,

Respected Sir,

Yours most obediently,

The Minister,

and Public Health, BANGALORE.

Sir,

We the members of the Mysore State Adikarnataka Abhivriddhi Sangha, Bangalore feel highly elevated by the solid human service rendered by our leader, Mr. G. Lingiah, Ex-Municipal Councillor and member, Central Depressed Class Commitee, Adikarnatakapura, Mysore, who has served for our cause on several executive bodies appointed by the benign Government. As the services of our leader have been much appreciated by the Members of the community, rich and poor alike, on behalf of the member of the Sangha, the Secretary feels much honoured to express his humble gratitude to the leader

The Government is fully acquainted with the activities of Mr. G. Lingiah and the real interest he has evinced in the cause of the upliftment of the depressed class people. As he was nominated member to the Municipal Council, he had all along endeavoured to keep in view the interest of the municipality in general and the cause of the community within the humble capacities within his province

As a Secretary of the Sangha, I can confidently put forth the view held by the Adikarnataka members of the Sangha, Mr. G Lingiah has devoted his hours of the day to the cause of the community and has donated towards it in several instances. Being on the body of the Municipal council he could command to

fitfully discharge his services. His absence in the municipal council will surely make the poor Adikarnatakas feel destituted for want of a representative of their grievances.

His services being much appreciated and felt in the views of the poor Adikarnatakas. the Secretary humbly places before your honour for consideration, the nomination of our leader, Mr. G. Lingiah to the Municipal Council, Mysore, for which we remain highly indebted.

I may be paradned for taking undue liberty with your honour, for placing the above suggestion for your honour's kind consideration.

I beg to remain,

Sir.

Your most obediently,

Subject - Increasing the Representation of the Depressed Class by one in the Mysore City Municipal Council.

Note on representation No 75 - The Mysore Representative Assembly Budget Session - June 1943

Subject Increasing the number of seats for nominating depressed classes on the City Municipal Council, Mysore

---

Consequent on the promulgation of the Mysore City Municipalities Act 1933 with effect from 1st August 1933, the proportion of the elected Councillors on the Municipal Council was raised from 2/3 to 4/5 of the whole number of Councillors, the total number remaining the same as before, viz 30 According to this Act, the Municipal Council was reconstituted with effect from 3rd January 1934 A redistribution of elective seats, i e , 24 out of the total strength of 30 among the several electoral divisions and the special constitutency as under was sanctioned by Government "S" in their Order No L 3768-7/Ml 165-33-10 dated 28/29th Novr 33

1	Fort Mohalla	1
2	Krishnaraja Mohalla	4
3	Devaraja Mohalla	3
4	Mandy Mohalla	5
5	Nazarabad Mohalla	1
6	Chamaraja Mohalla	4
7	Lashkar Mohalla	5
8	Merchants' Assen	1
	Total	24

2 The seat that was allotted to a representative of the Merchants' Association in the Council was withdrawn by Govt "T" in their Order No L 2306-7/Ml 26-36-5 dated 21st Sept, 36 and this was allotted to Devaraja Mohalla the number of seats for that mohalla being raised from 3 to 4, in view of the considerable expansion of that mohalla

"C" 3 Under notification No L 4975/Ml 105-40-6 dated 31st December 1940 Government appointed the President as an additional Councillor under the proviso to Section 9(2) of the Act in addition to the 24 elected and 6 nominated Councillors

4 The representation states that the number of seats for nomination of depressed classes on the Council be raised to five There are at present only 6 seats reserved for nomination and it does not appear to be possible to reserve 5 out of 6 for nomination of these depressed classes To increase the number of nominated seats may not also be possibl (Unless the total no of councillors increased) since (i) Under Section 9(2) of the Act, the number of elected councillors shall not be less than 4/5th of the whole number of Councillors, i e , for each nominated Member, there should be four other elected members, and the number of Councillors would therefore have to be increased

(ii) The population of the Mysore City as per the latest census is 1,50,000 and out of this, the Adikarnataka population is 14,000 So even on a population basis in a Council of 30 elected members their representation could not exceed 3 On this basis, we may have to reserve 5 for Mohamedans, since their population is 25,000 The Christians and other minority communities ~~they~~ may also make similar claims and the whole thing would therefore be unworkable

The present procedure of nominating one ~~A-K.~~ Adi Karnataka seems to be allright
